

FALL FAMILY RETREATS

Join us this fall for your very own family retreat at Pyoca! Starting in September, we are welcoming families for weekday and weekend stays at camp. Enjoy self-guided activities such as hiking and fishing, or help us out with a family service project during your stay.

Lodging options include the Poplar Apartment and Oak/Cedar cabins. While we are not offering food service at this time, the Poplar Apartment is outfitted with a full kitchen, and Oak/Cedar cabins both have kitchenettes available for guest use. Limited RV and tent camping options available.

In order to maintain safe social distancing, family rentals are limited to immediate family members. Dates and cabins are now available to book on a first-come, first-serve basis.

Pyoca is following enhanced cleaning procedures set forth by the CDC, and additionally, air purifiers have been installed in all cabins.

Call Pyoca at (812) 358-3413 or email molly@pyoca.org for more details and to reserve your stay today.
